S.D. OF N.Y.

SUBJECT: PROPOSED DISQUALIFICATION OF PRESIDING JUDGE – PART ONE

REF: (a) ROBERT S. MUELLER, III (former special counsel)

**(b) SWEIGERT V. GOODMAN,
CIVIL CASE #: 1:18-CV-08653-VEC
JUDGE VALERIE E. CAPRONI**

Good Morning:

1. This letter is an attempt to ascertain the intentions of the defendant (Goodman) concerning a motion proposed by the plaintiff (undersigned). The purpose of the proposed motion is to examine the supporting rationale for the proposed disqualification of the current presiding judge.

SWEIGERT V. GOODMAN, CIVIL CASE #: 1:18-CV-08653-VEC - JUDGE VALERIE E. CAPRONI

2. This may be an advantageous motion for the defendant to support, due to the apparent conflict-of-interest with matters involving the recent indictment of Robert S. Mueller, III, former special counsel (ref: (a)), by your “Citizens Grand Jury” team.

3. The present presiding judge was the General Counsel for the Federal Bureau of Investigation (F.B.I.) between 2003 to 2011. In fact, she was appointed by ref: (a) and most likely worked very close with him over the eight (8) years of her F.B.I. tenure. Please note the following screen-shot:

FBI appointment [edit]

In August 2003, FBI Director Robert F. Mueller named her General Counsel of the FBI.^{[4][1]} Caproni played a leading role in limiting the involvement of FBI officials in interrogations of Guantanamo captives when interrogators from other agencies used “enhanced interrogation techniques”.^[5]

On April 14, 2010, after the Judiciary Subcommittee Hearing on the Report by the Office of Inspector General (IG) of the Department of Justice on the FBI’s Use of Exigent Letters and Other Informal Requests for Telephone Records, House Judiciary Committee Chair John Conyers, Jr. (D-Mich.)^[6] issued a statement calling upon FBI Director Mueller to take immediate action to punish and fire those in the FBI Office of General Counsel headed by Caproni, who had unlawfully used exigent letters and provided legal advice that was inconsistent with federal law.

4. You recently produced a two-part video series to document the “indictment” of ref: (a) by a “*Citizens Grand Jury*”, with Larry Klayman acting as “*special prosecutor*”. See video entitled, “*Freedom Watch Citizens Grand Jury – Mueller Indictment Part 1 Introduction & Jury Instructions*”, dated June 27, 2019.

9. The presiding judge may find it difficult to avoid becoming personally involved in expected psychologically defensive bias with regards to ref: (a), now that your team has indicted ref: (a). The presiding judge may find your very public close associations with Jerome Corsi and Larry Klayman, esq. to be troubling as well. To refresh your memory, both of these men appear on the Southern Poverty Law Center “Watch List” for hate speech.

10. In the case of Mr. Klayman, he has provided evidence and testimony to a federal court that he is in active contact with government officials of Israel. See *Montgomery v. Comey*, U.S.D.C. for the D.D.C., Civil Action No. 17-1074 (RJL), (D.D.C. Mar. 1, 2018). See excerpt of ORDER from the Hon. Richard J. Leon (see below).

Preliminary Injunction, or their supporting affidavits—that they communicate with any persons abroad, let alone that they have reason to believe that their foreign contacts have been targeted under the PRISM program. Plaintiffs’ allegations here are therefore *even less* colorable than those I dismissed for lack of standing under *Clapper* in *Klayman I* and *Klayman II*. See *Klayman*, 2017 WL 563668, at *13 (holding that Klayman failed to establish standing to challenge the PRISM program, even where he alleged that he “frequents and routinely telephones and e-mails individuals and high-ranking government officials in Israel” and communicates with persons in several other nations). Plaintiffs accordingly lack standing to challenge defendants’ alleged surveillance under the PRISM program.

Second, plaintiffs claim that they, and millions of other Americans, have been targeted for surveillance by the bulk telephony metadata collection program formerly conducted by the NSA pursuant to Section 215 of the USA PATRIOT Act.

11. Jerome Corsi appeared on the Alex Jones INFOWARS social media podcast and advised the host that he was receiving communications “higher than Mossad”. See the video entitled, “*Alex Jones Deemed Kosher by "Top Israeli Intelligence"*”, Aug. 27, 2017 (see below).

00:21 CORSI. Well Alex its great, actually today I am in Nashville, Tennessee working with a really important cyber security company. And I just got a text from top intelligence in Israel.

12. The undersigned believes that the presiding judge must provide a written explanation as to how her honor plans to mitigate the apparent conflict of interest in hearing a lawsuit that involves a defendant so closely tied to the hate speech of ref: (a) as you.

13. I trust you will consider the foregoing information and support me with your non-opposition to a motion to disqualify the presiding judge.

Signed this 19 day of July, 2019.
